

Meet the team at Centrix

Donna is the first port of call at Reception for our occupiers and visitors alike.

Having joined the team at Centrix as Temporary Receptionist in November 2013, Donna worked her way up the ladder and is now the Business Centre Manager.

Outside of work, Donna is currently completing an A2 COFC drone course and in her spare time she enjoys getting down to Villa Park to watch her beloved football team, Aston Villa play. She also likes visiting theme parks with the family, and doing arts and crafts at home, including painting, drawing and baking.

If you are looking for office space Donna will be on hand to show you around and answer any questions you may have. For more details on the available office space please visit the dedicated website: www.centrix-keysbusinessvillage.co.uk or call 01543 478700 to arrange a viewing.

A home for your business
